

## NetSuite. Where Business is Going.

**It's official!** NetSuite is now recognized as the world's #1 cloud ERP by every measure - market share, growth, **and now technology leadership**. Just last month Gartner named NetSuite as the world's most deployed cloud ERP by market share, and the fastest growing top 10 financial system in North America, UK, and Australia.

Now the **Software & Information Industry Association (SIIA)**, a 26-year old industry body devoted to software innovation and technology, recognizes NetSuite's technology leadership at its annual CODiE awards by naming NetSuite OneWorld as the [Best Financial Management Solution](#).

### THE FACTS

- **NetSuite OneWorld Wins Best Financial Management CODiE award:** NetSuite beat out SAP Business ByDesign, FinancialForce and Intacct to win the industry's most prestigious technology leadership award for financial management applications.
- **Rigorous process:** Winning an SIIA CODiE (one of the industry's most prestigious awards) requires detailed scrutiny by experienced judges and peers. It includes passing 48 review criteria across a series of 10 primary attributes including delivery/implementation, user interface and usability, technology, support, ease of management and much more. SIIA's full review criteria can be found [here](#). Their review process requires the evaluation of detailed product information and customer success, a comprehensive product demonstration, a detailed Q&A by seasoned judges, and an extensive peer voting process.
- **Comprehensive recognition:** Additionally, NetSuite was also recognized as one of just 5 finalists for Best PSA Solution, Best SCM Solution, Best Cloud Infrastructure and Best Cloud Platform - even more recognition across its suite of products.
- **A track record of technology leadership:** This recognition by the SIIA comes after being broadly recognized in 2010 with SIIA CODiE awards for Best Business Software, Best Relationship Management, and Best Cloud Infrastructure.
